I am looking for the record of my grandmother's birth and find out if there is a birth certificate. She was born on February 14, 1901. I am trying to prove that she was a Cherokee Indian. Her maiden name was Bertie Hensley. She was born in Fayette County, Kentucky and was married in Kentucky. I cannot seem to find her marriage records either. She married Clarence Crouse. I think she would have married around 1917-1920. I know that she did not live in Kentucky after her marriage but moved to West Virginia.
