NEW MESSAGE FROM LITTLE GRANDMOTHER Dec. 17, 2012

Message for the Tribe of Many Colors French translation [AVAILABLE NOW](#)

NEW April 2013 [WORKSHOP IN GERMANY](#)

Greetings, Family, Friends and Loved Ones,

Welcome to my official website, where you can find my videos,
events, travels, current news and timely messages.

The Elders and Wise Ones are telling us that the time is now, that
“We are the Ones we have been waiting for.” They have asked us
to be the change we wish for, and to remember who we really are.

My prayer for this time is that we can unite our heart
consciousness, share our kindness and generosity with one
another and become one—*One Family of One Mother, One Heart
and One Tribe.*

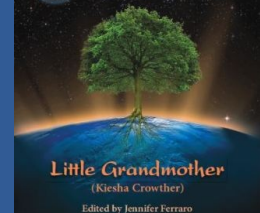

Welcome to the Tribe of Many Colors, where we are all brothers
and sisters, beautiful beings of Mother Earth and Great Spirit. I
am so glad we are together at this critical and magnificent time
on our planet!

Enjoy the site...I love you!
